

DRIVER CERTIFICATION

I understand that all drivers must be reported to the Company upon hire and must meet the following to be eligible:

- 1) Have at least 2 years of verifiable driving experience as evidenced by a current MVR.
- 2) Be in good physical condition. Evidence of insurability must be provided for any driver over the age of 65 or any driver that has continuing health problems requiring medication.
- 3) All drivers must meet minimum requirements as per the Insurance Company MVR Guidelines provided at the time of quotation. (Additional copies of these guidelines can be provided upon request.)
- 4) Professional drivers must possess commercial drivers licenses in compliance with state and federal laws.
- 5) Have participated in a professional driver training program or have at least two years of driving experience in a similar vehicle.

I understand and agree that this Certification is part of the Insureds Application.
